Forecast for Wednesday 07 Jul 2021

Weather: Mostly dry with some clear spells overnight, just a low risk of a shower over southern fringes of the park. The day looks generally dry and bright with some sunny intervals the best of these over western fells. Some cloud buildup might just bring the odd shower, mostly likely over the south at first then the easternmost fells in the afternoon. The evening will be fine and sunny then clear.

Chance of cloud free mountain/hill tops above 800m: 90% or more.

Visibility: Generally good, perhaps just some patchy summit fog due to cloud above 800m early in the morning.
